

## **ATLANTIC PLYWOOD CORPORATION SIGNS ON AS DISTRIBUTOR OF L&S LIGHTING CORPORATION - GREENSBORO, NC, AUGUST 19, 2013**

“In choosing a partner for our first venture into Furniture and Casework illumination, L&S was the obvious choice given their rich history, innovative technology, and high-quality product offerings,” said Marty Wojick, Vice President of Atlantic Plywood. “We are confident our customers will be impressed with the range of products and competitive pricing offered by L&S.”

Atlantic Plywood will be stocking a wide range of L&S lighting with all products available by order.

### **About ATLANTIC PLYWOOD**

Founded in 1974, Atlantic Plywood Corporation is the leading wholesale supplier of quality hardwood plywood and panel products on the East Coast. Atlantic Plywood provides an unparalleled selection of plywood, surfacing, finishing, and hardware products to a variety of woodworking industries including proprietary products such as Versawall, Redilam and Atlantic Beadboard. Atlantic strives to provide large and small woodworkers with service, inventory, and knowledge from one source at a competitive price. Atlantic Plywood is dedicated to expanding the selection and services while utilizing the latest technologies to deliver the best in customer service. For more information, visit the company's web site at [www.atlanticplywood.com](http://www.atlanticplywood.com).

---

“L&S considers the addition of an industry leader like Atlantic Plywood to be an important step forward in the growth of our Distribution Channel in North America; we look forward to being an important part of their continued success,” said Donn Wilber, GM and CEO of L&S Lighting Corporation.

### **About L&S**

L&S Lighting is a worldwide leader in the ideation, design and production of high performance illumination for Furniture, Casework, Store Fixture and Under Cabinet applications. They combine the latest technologies and manufacturing processes to create products which are both functional and beautiful, while integrating seamlessly with the customer's design language.

Founded in 1977, L&S is headquartered near Venice, Italy and operates three wholly-owned subsidiaries in Germany, China and North Carolina. For more information visit the company's web site at [www.LS-light.com](http://www.LS-light.com).
